AUCTION 680

CONDITIONS OF SALE - Public Auction

THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF THESE CONDITIONS OF SALE BETWEEN BIDDER AND DANIEL F. KELLEHER AUCTIONS, LLC ("KELLEHER")

BIDDING

1. Unless announced otherwise by the auctioneer, all bids are per lot, as numbered in the printed Catalogue. Kelleher, as agent for the consignor or vendor, shall regulate the bidding and shall determine the manner in which the bidding shall be conducted. Kelleher reserves the right to withdraw any lot prior to sale (without liability to any potential purchaser or agent), to re-offer any withdrawn lot, to divide a lot or to group two or more lots belonging to the same consignor or vendor, and to refuse any bid believed not made in good faith. Estimates of sales prices contained in the printed Catalogue reflect the best judgment of Kelleher and are not minimum or upset prices.

2. (a) Bids shall be made in the steps set forth on the bidding page (ii). (b) The highest bid acknowledged by the auctioneer shall prevail. Should a dispute arise between bidders (including a dispute between a floor or internet bidder and the auctioneer acting on behalf of a mail bidder, consignor or vendor), the auctioneer alone shall determine who the successful bidder is and whether to reoffer the lot in dispute. Should a dispute arise after the sale, the auctioneer's sale records shall be conclusive. On all lots sold, a commission of 18% on the hammer price is payable by the buyer to the auctioneer together with any sales and use tax or customs duties.

3. (a) The auctioneer reserves the right to bid on behalf of clients (and consignors or vendors) but shall not be liable for errors and omissions in executing instructions to bid, however received, and whether such errors or omissions be those of the bidder or agent or those of the auctioneer.

(b) Lots are offered subject to a reserve price. The auctioneer will implement such reserve price by bidding on behalf of the consignor vendor. (c) It may also be assumed that all consignors have been advanced monies against the sale of their consigned material and Kelleher therefore has a security interest in the consigned material over and above the normal auction commission.

(d) Purchases made by a consignor or vendor or his agent on his own lots shall be considered as a sale subject to commissions and sales tax as applicable.

(e) Agents are responsible for the payment of the purchase price for all purchases made on behalf of their clients, unless other arrangements with the auctioneer have been confirmed in writing prior to the auction.

PAYMENT FOR PURCHASES

4. Payment for lots, including those on which opinions are desired (Condition of Sale), shall be as follows:

(a) Floor Bidders. Payment of the purchase price, or such part thereof as Kelleher shall require, shall be made by the purchaser in cash or bank or certified check or in such other manner as Kelleher may determine. The name and address of the purchaser of each lot shall be given to the auctioneer immediately following the sale of such lot.

(b) Mail Bidders. A successful mail bidder will be notified of lots purchased. Before Kelleher will send such lots, payment in full must be received by Kelleher within three (3) business days of receipt of the aforesaid notification by the mail bidder. However, a purchaser known to Kelleher at its option may have purchases delivered or forwarded for immediate payment (by a dollar draft on a U.S. bank in the case of overseas purchasers). Mailed delivery will be to the address on the bid sheet and proof by Kelleher of receipt of a sending at the advised address shall constitute delivery. All charges for handling, delivery and insurance obtained by Kelleher on behalf of the purchaser shall be added to the purchase price; a minimum charge of \$10.00 will be made.

5. Title shall not pass to the purchaser until full payment has been received by Kelleher as agents for the consignor or vendor.

6. (a) Purchasers agree to pay for lots as specified in Condition of Sale 4 (or as the same may be modified by Condition of Sale 8), and no credit is extended; a late payment charge of 2% per month or fraction thereof shall be added if payment is not made in accordance with the aforesaid conditions.

(b) In the event that a bidder shall fail to comply with these Conditions of Sale ("Non-Complying Bidder"), then, as to any lot with respect to which such failure to comply occurs, Kelleher, may, in its sole discretion, re-offer such lot during the same auction or at an auction at a later time, or by private treaty at such time as Kelleher Auctions, in its sole discretion, deems appropriate and the Non-Complying Bidder shall be liable for the deficiency, if any, between the hammer price and the net proceeds of a sale to a subsequent purchaser, whether at auction or by private treaty, as well as for all costs and expenses of both sales, all other charges due thereunder, including commissions with respect to both sales, whether payable to Kelleher or to a third party and all incidental damages. It shall be in Kelleher's sole discretion to determine whether to re-offer the lot theretofore hammered-down to a Non-Complying Bidder at the same auction, or by private treaty in due course, or at a subsequent auction conducted by Kelleher. In no event shall any surplus arising from the sale of a re-offered lot be payable to a Non-Complying Bidder.

(c) A defaulting purchaser shall be deemed to have granted Kelleher a security interest in property in Kelleher's possession owned by such purchaser. Kelleher shall have all of the rights afforded a purchase money secured party under the Connecticut or Massachusetts Uniform Commercial Code with respect to such property and may apply against such obligations all monies held or received by it for the account of, or due from Kelleher to such purchaser. Kelleher is authorized to file a Financing Statement in order to perfect its rights as a secured party.

(d) If Kelleher takes any legal steps to secure payment of a delinquent account, the defaulting purchaser shall be liable for all legal and other expenses incurred by Kelleher to secure such payment, including but not limited to a reasonable allowance for attorneys' fees. For purposes of this paragraph, the term legal steps shall be deemed to include any and all consultation by Kelleher with its attorneys with respect to all matters arising out of a delinquent account.

(e) Unless otherwise acceptable to Kelleher, payment is to be made only in the form of cash, bank check or certified check, personal check (which must clear prior to delivery of lots), credit card (AMEX, Visa, MasterCard and Discover), PayPal or a bankwire transfer. Payments made by credit card are accepted as a courtesy without surcharge, if paid within 15 days of sale date. Extended payments which have been pre-approved and payments over 15 days will incur a surcharge of 2%.

EXHIBITION AND INSPECTION OF LOTS; QUALITY AND AUTHENTICITY

7. (a) See viewing schedule for on-premises viewing. Ample opportunity is given for on premises inspection prior to the auction date, and, upon written request and at Kelleher discretion.

(b) Each lot is sold as genuine and correctly described, based on individual description as modified by any specific notations in this Catalogue.

(c) Quality. Any lot which a purchaser considers to be incorrectly described may be returned to Kelleher within two weeks of its receipt by such purchaser ("Returning Purchaser"), provided, however, that the same is received by Kelleher within four weeks of the date of the auction; however, Kelleher may, in its discretion, refuse acceptance of such returned lot. If an opinion of a mutually acceptable authority is desired, the period of time within which a lot must be received by Kelleher will be extended in accordance with Condition of Sale 7(g). In the event that a dispute cannot be resolved by reference to a mutually acceptable authority, and Kelleher thereupon undertakes to re-offer the lot with a description identical to the description disputed, the Returning Purchaser shall be liable for the deficiency, if any, between the proceeds of the sale to the Returning Purchaser and the proceeds of a sale to a subsequent purchaser, as well as for all costs and expenses of the re-sale, including commission, and all incidental damages. Any lot, the description of which is disputed, must be returned intact and in the original packaging and in the condition received (unaltered) by the purchaser. The following lots are not returnable except at the discretion of Kelleher: (i) lots from purchasers who attended the exhibition of the lots; (ii) lots examined by postal viewers; (iii) lots on account of their appearance, if they are illustrated in this Catalogue; or (iv) lots described as having repairs, defects or faults for any reason. (v) lots containing more than ten (10) items. (d) Authenticity. Any lot which is declared otherwise than genuine by a generally recognized authority is returnable, provided such lot is received by Kelleher within four weeks of the date of the auction. Proof that a mutually acceptable authority declines to express an opinion is not grounds for the return of a lot.

(e) Expenses incurred a purchaser in the submission and the return of a lot under Conditions of Sale 7 are not subject to refund.

(f) Numerical grading is subjective and is based upon the condition of each issue. Lots may not be returned if a third party grades a stamp at lower than our grade.

(g) Lots with existing certificates from the Philatelic Foundation (PF) or Professional Stamp Experts (PSE), British Philatelic Association (BPA), Royal Philatelic Society (London (RPSL) and Australia (RPSA), Vincent Graves Greene Foundation (VGG) or any other expertizing authority as recognized by the International Association of Philatelic Experts (AIEP), for items within their specialty and dated within the last seven (7) years from the date of sale, will be offered and sold on an "as-is" basis and as so stated on the certificate. Such lots may not be returned for any reason, including but not limited to a contrary verbal or written opinion or certificate.

SALES TAX/CUSTOMS DUTIES

8. Unless presentation of satisfactory proof that it is exempted by law, a purchaser shall pay to Kelleher Connecticut, Massachusetts or any compensating use taxes of any other State claiming jurisdiction. Buyers outside the U.S. are responsible for all customs duties. A purchaser shall indemnify Kelleher and hold it harmless of and from any claims of any jurisdiction for sales taxes relating to the purchase of articles at the auction, whenever the same may arise.

APPLICABLE LAW, JURISDICTION, ETC.

9. All matters arising out of this auction shall be governed by the laws of the State of Connecticut without giving effect to the choice of law principles thereof. **ARBITRATION**

Collection Lots and Condition

Please note that ALL collection lots are sold on an "as-is" basis and are therefore not returnable for any reason. Every attempt has been made to provide an accurate description and images for most are available on our website. Most collection lots will contain stamp/covers with various degree of imperfections/faults. We strongly suggest that lots of interest be viewed in advance of the sale. Please also note that late payment for purchases, may at Kelleher's option, be considered just cause to revoke all return privileges.

Covers & Cancels

Minor imperfections, including but not limited to: nicks, edge or flap tears or slight reductions are normal conditions for 19th century envelopes that have been postally transmitted. Folded letters would have at least one file fold. Acceptable forms of conservation include light cleaning and edge mending. Covers may have an ordinary stamp with a minor defect. The above exist in most 19th century covers and are not always described and therefore not grounds for return.

Catalogue Values

Unless otherwise noted, the currently available Scott Catalogue values (2016 editions) are quoted in dollars and rounded to the nearest dollar. Other catalogues are often used for foreign countries or specialized areas as provided.

- 757** ★★/★/○ **Switzerland, Spectacular, Mainly Mint Collection Balance, 1847-1999.** Very solid collection in a Scott Specialty album with slipcase; starts with a reasonable appearing, repaired 2½r "Winterthur" with an APS certificate and also includes #1 (with APS certificate), 3, 7, 7a & 11, followed by excellent *Strubels* (many with four frame lines), Seated Helvetias, Numerals, and Standing Helvetias; from there the collection is just about complete including the 1909 Pro-Juventute forerunners, all the souvenir sheets but the NABA, the Airmails, the Postage Dues, the Franchise stamps and the Officials, the 1922-38 League of Nations and I.L.O. sets being used. Also includes four covers, namely an 1831 folded letter from Geneva to England, a pair of 20r #39 to Paris, a single 40c #47 to Gwebwiller, France, and a 1948 IMABA souvenir sheet registered to New York (edge faults). Condition through the Seated Helvetias is somewhat mixed, primarily on the best values, but from the Numerals onward, just about everything is clean and F-VF with a large percentage being never hinged including such early surprises as #97, 135a-144a, 184, 206, the 1945 Peace Issue, B2-3, B7-9, all of the souvenir sheets except B130, C1, etc., etc. All-in-all, a truly marvelous lot. - 758** ★/○ **Switzerland, Parallel Mint and Used Collection, 1858-1996.** Painstakingly arranged in three stockbooks; starts with a few *Strubels*, but gets really serious beginning with the Seated Helvetias, from which point it is fairly complete and, from 1907 onward, nearly all of it both mint & used, including the 1914-31 Franc values, the 1945 Peace issue, virtually all the Semi-Postals and all the souvenir sheets except for the NABA Sheet, B80, B105 & B143, which are present only MLH; the Postage Dues and Officials are equally well represented, being more than 95% complete (both mint & used for those sets that were available mint). As for condition, we note a very few minor flaws, mostly early on (mint 1O3 has a tiny thin, for instance), but generally everything is clean and F-VF. A truly excellent lot. Scott \$30,000 Owner's. - 918** ★/○ **Worldwide, Huge Collection to 1940.** A spectacular collection housed in 11 albums similar to Part 1 Scott Internationals, with the British Empire, the Far East and the United States removed, but with virtually everything else here and very well represented. Much of the collection was apparently assembled one stamp at a time, because sets are not always complete and are frequently mixed mint and used. In addition, the album seems to be mostly custom printed 2-sided pages that sometimes omit spaces for the highest values, a *la* International Juniors—but that doesn't mean there are no high values. On the contrary, there are literally hundreds of stamps cataloging in the \$50-\$200 range and a good number even higher. Strength is in areas where it would be expected, like Western Europe and Scandinavia, but is also in unexpected areas like Latin America, German Colonies, Portuguese Colonies and, especially, French Colonies. Highlights are almost too numerous to mention, but here are just a few (mint unless noted): Andorra (Fr.) J12-15, Belgium 121, 135 (used), Cameroun 103, 106, 111, 116-118, 124 & 126-128, Denmark C1-5 (mixed m/u), Finland 69 (used) & C1, France B9 & C17 (both used), French Offices in Abroad (Scott \$4,000), German South West Africa 10 & 25 (both used), Greece C38-47 (used), Iceland 98 (used) & 175, Liechtenstein 82-89, 108-110, 114 (used), C7-16, Martinique #53 & 61, Reunion 27 (used, small thin), Turkey 270 (used), and much, much more. As for condition, the news is also quite good. Actual faults seem to have been kept to a minimum (though centering and margins on 19th century material were not a priority), so the collection is well above *generally* F-VF, and is more like just about all Fine *or better*. A truly exceptional lot—probably the finest collection you'll ever see housed in a set of International Juniors. (photo on web site). Estimate \$15,000 - 20,000
- 919** ★/○ **Worldwide, Mint & Used Collection.** In 27 Scott International albums with "A" to "Z" countries, better sets concentrated in People's Republic of China 1968 (1005-1006), 1970 (1047-52), 1971 (1054-57), 1971 (1076-79), 1971 (1067-75, including 1074a strip of three), 1971 (1080-83), 1972 (1084-89), 1972 (1090-94), 1972 (1095-98), 1972 (1104-07), 1973 (1122-25), 1973 (1108-13), 1973 (1114-16), 1973 (1126-29), 1973 (1131-42) & 1974 (1143-48). We also noted a good number of British Commonwealth sets issued in the 20th century and that deserve your awareness. A useful property with pickings throughout, F.-V.F. (photo on web site). Estimate \$4,000 - 6,000
- 920** ★/○ **Worldwide, Old Time Collection, 1840-1934.** Mint & used collection in seven old *Schaubek* leather-bound, spring-back "Permanent-Albums", 1932 edition (one with missing binder). Generally very scattered, but if you take your time to page through all the empty pages and cheap stamps, you'll find hidden gems throughout. Some of the more interesting countries are (highlights in parentheses, mint OG unless noted) Austria, Belgium (36), Brazil, British Honduras, Canada, Ceylon, Cuba (108, 111, 114 & 120), Denmark (127-131), Dutch Indies, Egypt, France (9c (used) &

J22), Germany, Great Britain, Iran (used 50-55, 60-65, 73-99, 104-119, 136-150 and mint 209), Italy (248-256 & C23-26, 265-279, 287-289, 290-305, 331-341, 345-366), Italian Colonies (Libya B23-29, San Marino 111-114 & Somalia CB1-10), Mauritius, Netherlands (40-49 overprinted "Specimen", 69, 75 & 80), Portugal & Colonies, Sweden, Switzerland (185 & 209). Condition, as usual on collections from this era, is somewhat mixed, though the majority is F-VF, as are just about all of the preceding, the most notable exception being the France 9c, which has only two margins. The albums themselves are not in the best of shape, with the leather spines dry and crumbling, but the pages are quite fresh and, all-in-all, this should prove quite a useful lot for collector or dealer alike. (photo on web site).

Estimate \$3,000 - 4,000

921 ★/○ Worldwide, Mint and Used Collection, 1940-50. Four-volume Scott International Part 2 album, the companion to the 11-volume collection offered earlier in this sale. The collection's weakness is that sets are not always complete and are often mixed mint and used, but that weakness is out weighted by its strength: the many \$50-and-up singles and sets scattered throughout. A few highlights include (mint unless noted) French India 118a, 169 (signed Bileski), Greenland 10-18 (NH), Iceland 240-245 (NH), Italy 515-518 (used), New Zealand AR51, Pakistan 1-19, Samoa 202, Singapore 19, 22 (used), and Switzerland 304. We also Note British Empire 1948 Silver Weddings missing only about 10-12 colonies. All-in-all, an exceptional lot, with condition virtually all clean and F-VF (photo on web site).

Estimate \$1,000 - 1,500
- 931 ★/○** **Worldwide, Interesting Consignment Balance.** A few hundred stamps from a wide range of countries sorted onto approval cards or into glassines; most of the value is in Austria, the Benelux countries, Scandinavia & Switzerland with many singles and sets cataloging \$100-and-up, though condition on the 19th century material is often a problem—hidden flaws or regumming being the norm on the best numbers. There is still a lot to like here though, especially in the Austria and the early 20th century sets and singles from other areas. Total catalog value is tremendous, so our estimate is probably very much on the low side. Allow some time to look at this one. (photo on web site). Estimate \$800 - 1,200
